PROFILE

Communications and information design specialist with 3+ years managing digital content, social media and institutional communications for the United Nations, the Government of Sri Lanka, and leading research organisations. Skilled in editorial planning, multi-platform content creation, event/video coverage, media monitoring and multilingual communications (Sinhala, English, French). Proven track record delivering under tight deadlines for senior stakeholders, including government ministries and UN leadership.

CORE SKILLS

Social Media Management: Facebook, Instagram, X (Twitter), LinkedIn, YouTube - editorial calendars, content scheduling, analytics

Content Creation: Canva, CapCut, Premiere Pro, Filmora, Illustrator, Photoshop - visuals, infographics, video, reels/stories

Editorial & Press: Bilingual copywriting (French/English), press releases, press review monitoring, media/institutional news tracking

Event Coverage: Photo and video documentation, live coverage, story/reel production for institutional events

Web & Digital Tools: WordPress site updates, Meta Business Suite, Mailchimp, Google Analytics, MS Office / Google Workspace

Languages: Sinhala (native) | English (C1, full professional) | French (A1, actively studying – Alliance Française, 2025–ongoing)

PROFESSIONAL EXPERIENCE

Communications Design Consultant Jun 2025 – Jul 2025

Department of National Planning, Government of Sri Lanka | Colombo

- Led end-to-end design of the Public Investment Programme 2026–2030 under the JICA Project, translating complex national economic data into accessible formats for senior policymakers.
- Developed interactive charts, maps and structured annexes for official digital and print publication in close collaboration with cross-functional government teams.
- Delivered a cohesive, publication-ready national policy report under tight government timelines.

Communications Designer Mar 2025 – Jun 2025

UN Resident Coordinator's Office / UNDP, United Nations Sri Lanka | Colombo

- Led information design for the 2024 UN Annual Results Report and 2024 SDG Fund Report, coordinating data inputs from eight UN agencies into a single coherent narrative.
- Produced social media content, visibility assets and multilingual policy briefs reaching 4,000+ stakeholders, including the Prime Minister.
- Designed brand identity materials for Sri Lanka's UN 70th anniversary campaign, maintaining strict UN branding standards across all outputs.

Communications Designer Sep 2024 – Feb 2025

Ideas Marketing Agency | Sydney, Australia (Remote)

- Conducted UX research and mapped user flows to inform site architecture for nonprofit digital platforms.
- Produced wireframes and content recommendations in Figma; supported WordPress site management and social media content production.
- Contributed to a 30% reduction in user drop-off through research-led design and content improvements.

Senior Communications Designer Jan 2024 – Sep 2024

Verité Research | Colombo

- Produced press releases, infographics and data-driven communications outputs that expanded research visibility in national public debate and media.
- Managed the organisation's LinkedIn presence and monitored social media analytics to inform content strategy across platforms.
- Mentored junior designers and maintained output quality and consistency across 150+ research communications.

Junior Communications Designer Sep 2022 – Jan 2024

Verité Research | Colombo

- Supported design and dissemination of high-profile research campaigns across print and digital platforms.
- Translated technical policy findings into accessible content for policymakers, media and the public.
- Contributed to 150+ research outputs spanning infographics, reports and digital communications materials.

Digital Communications Specialist (Freelance) Apr 2020 – Present

Self-employed / Fiverr | Remote

- Delivered 200+ freelance projects for local and international clients: illustration, presentation and report design, brand style guides, and WordPress builds.
- Produced NGO and policy reports with data visuals, and managed social media content and storefront setup for clients.

EDUCATION & CERTIFICATIONS

French Language and Literature Alliance Française (2025–Ongoing)

High School Diploma Trinity College, Kandy, Sri Lanka (2006–2020)

International Relations (Incomplete) BCIS, Sri Lanka

- Enterprise Design Thinking Practitioner – IBM Team Essentials for AI
- Essential Design Principles for Tableau – University of California, Davis
- Humanitarian Needs Assessment – KoboToolbox e-Learning Programme
- Harassment Prevention – LinkedIn Learning

SELECTED COMMUNICATION PROJECTS

- UN 2024 Annual Results Report – information design coordinating data across 8+ UN agencies.
- Public Investment Programme 2026–2030 – data visualisation for an official national policy report.
- Sri Lanka's Drug Crisis Interactive – scrollytelling data story on national drug policy and health.
- How a Single Storm Broke Sri Lanka – independent data story on disaster impact and aid response.
